

Week 2 - Planning

Cortesía de Urdimbre Escritura,

Step 1

4 minutes

Visualising the semester

Imagina its January 01 2027.

Where would you like to be in terms of your research, your thesis?

Step 2

5 minutes

Goals (objetivos) for this Semester

Establish the objectives you need for your vision to materialise

Step 2

3 to 5 realistic goals

- Establish a writing routine
- Collaborate with X on research
- Finish a draft of an article
- Learn about Y

Step 2

3 to 5 ambitious goals

- Publish my first paper
- Give an invited talk
- Do a writing retreat and finish X

Step 3

Create routine and work habit

What routine do you need to achieve your goals?

What work habits do you need to implement or to continue doing?

Step 3

To reach my goals I commit to [] weekly writing sessions

I commit to [] weekly writing minutes

I'll work specifically on X these days / hours / minutes...

If I have to change something, I'll do it this way...

My non-negotiable habits are...

Step 4

Get a calendar!

Time to schedule your goals

Step 5

Call to action!

Build very small sub-goals, that invite action and that you can actually schedule.

Step 5

Call to action!

Build very small sub-goals, that invite action and that you can actually schedule.

Write 200 words

Print current draft, read, edit

Incorporate missing references and check they make sense

Step 5.5

Calendar!

Note down your sub-goals.

Associate them to some of your initial schedule

Final Thoughts
